NATHAN TRANCHANT

STUDENT,
LOOKING FOR A 3RD YEAR
FULLSTACK DEVELOPMENT
FIXED-TERM OR INTERNSHIP

PERSONNAL PROFILE

Passionate about computer science since the age of 11, I am aware of its growing importance in society. That's why I decided to study at EPITECH. Web development is a field that excites me, but I am curious to develop my skills in other domains.

LANGUAGE SKILLS

· French - Native tongue
· English - Mastered (TOEIC : 915/990)
· Italian - Read
· Russian - Basics
