NATHAN TRANCHANT

STUDENT,
DEVELOPER &
DATA ENTHUSIAST

PERSONNAL PROFILE

Passionate about computer science since the age of 11, I am aware of its growing importance in society. That's why I decided to study at EPITECH. After a year abroad in Dublin, I'm now looking for a **6-month, part-time internship** for my fifth and final year of studies, in the fields of software development or data science.

LOCATION

France – but can move to all of Europe

LANGUAGE SKILLS

· French - Native tongue
· English - Mastered (TOEIC : 920/990)
· Russian - Advanced
· Italian - Read
